Library Services

Annual library visits in fiscal year 2013 totaled 30.3 million visits, which is a 2.4 million or a 7.7% increase over FY 2012. This increase reverses the downward trend over fiscal years 2010 through 2012, when library visits declined by 3.9%. In prior years, some libraries chose not to report this figure which lowered the number of visits. A large portion of the increase in annual visits was attributable to requisite reporting. Computer sessions on library owned personal computers reversed a similar four year downward trend and increased by over 263,000 uses to 6.8 million from the prior year. Wireless sessions and accesses with patron owned equipment were not counted, but have increased in frequency.

Per capita visits were equivalent to each Missouri resident visiting a library 5.06 times. If distributed equally among the 363 library outlets, each outlet would have an average of 83,469 visits per location over the fiscal year. Of the 5,988,927ⁱⁱⁱ Missouri citizens, 3.3 million or 55% of the total population are registered borrowers. These 3.3 million patrons checked out an average of 17 items per registered borrower in FY 2013.

Total circulation encompassed over 56.1 million items with children's circulation accounting for over 18.5 million items or 33 percent of the total. Likewise, of the 82,103 programs offered by public libraries, 44,349 were for children aged 11 and under. The children's programs had a total attendance of over 1.5 million. Roughly 700 programs taught English to non-English or limited English speaking persons to meet a growing need in library communities.

Over 3.3 million reference transactions were completed for patrons. Reference transactions include information contacts which involve the knowledge, use, recommendations, interpretation, or instruction in the use of one or more information sources by a member of the library staff. Through interlibrary loan, libraries provided 372,262 materials to other libraries and borrowed 457,099 materials from other libraries to include academic and out-of-state entities.

The total Legal Service Area (LSA) population increased by 12,997 to 5,473,349. This increase came from the addition of the Caldwell County Library (7,232) in Kingston, the James Memorial Library (4,216) in St. James, and the Jessie E. McCully Memorial Library (1,549) in Dixon.

Collections

The cumulative collection of public libraries was 19.6 million items. This total was comprised of 17,194,119 print materials, 1,059,170 physical and downloadable audio units, 1,067,536 physical and downloadable video units, and 78,945 print subscriptions. If distributed equally to the 363 library outlets, each would have 53,942 materials and each item would be checked out an average of 2.87 times.

Libraries held 259,989 electronic books for their patrons. While this number was lower than the prior year, it represents a more accurate number of electronic books which were selected, acquired, and cataloged for sole use of each library's patrons. The collection figures did not include consortia or database held electronic materials, which had been included in prior years. Although these are very popular with library patrons, the Institute of Museum and Library Services definition currently excludes the inclusion of consortia held items in the library collection. Member libraries of Missouri Libraries to Go (MOLIB2GO) have access to up to approximately eleven thousand e-books depending on their subscription level. The number of databases and consortia, not their contents, were collected and amounted to 3,795 statewide or 25 databases and consortia per library district.

Collection and Circulation Per Capita by Population of LSA-FY13

Missouri Public Library Survey: Fiscal Year 2013 Statewide Summary

Staffing

Missouri public libraries employed the equivalent of 3,141 full-time employees which is one full-time equivalent (FTE) per 1,743 persons in the LSA (with equal distribution). This is 36 more FTE than FY12, but still 38 fewer than FY11. The largest 13 libraries have 2,289 FTE, which equals one FTE per 1,579 persons and the remainder of the state has 852 FTE or one FTE per 2,183 persons in the LSA.

There are 292 librarians and 181 staff members with an American Library Association (ALA) accredited master's degree in Library Science (MLS) or Library and Information Science (MLIS). This breaks down to one librarian with a MLS/MLIS per 18,744 persons in the LSA. However, the 13 largest libraries employ 74.7 percent of Missouri's MLS librarians, 90.6 percent of the MLS staff, and 72.9 percent of all FTE employees. Statewide, 3,889 volunteers donated an average of 1948 hours per week.

The Greatest Attraction: Missouri Public Libraries

In FY2013, the number of annual visitors to Missouri public libraries exceeded the *combined* attendance to many of the state's other major attractions.

Public Library Visitors	30.3 million
State Park Visitors	18.1 million
Cardinals and Royals Baseball	5.1 million
St. Louis & Kansas City Zoo's	4.4 million
Silver Dollar City	2 million
Firearm Deer Hunting Permits	600 thousand

Nearly **5.5 million** Missourians (91.4% of the state's population) have access and use the 364 public library outlets. The combined total number of Wal-Mart outlets (Walmart & Supercenter-127, Neighborhood Markets-17) and the total number of Walgreen's pharmacies (214) are fewer than the number libraries available to Missouri citizens.

Missouri citizens used the over 4,900 public library computers **6.8 million** times in FY2013. On average, each computer is used nearly 1,400 times per year to apply for employment, access information, complete homework or research, and connect with others. Ninety-seven percent of public libraries provide a high-speed connection for their patrons.

Summer reading programs enhance student achievement and prevent fall-off of reading skills during summer break. Summer reading programs had 233,000 youth and teen participants at public and school libraries. Furthermore, more than 44,000 Children's programs were conducted at Missouri public libraries in FY2013, with a total attendance of 1.54 million children.

Attendance data was attained from attraction websites, information requests, and the Departments of Conservation and Natural Resources publications. Library data is from the FY2013 Public Library Survey.
